OBJECTIVES

Motivated React Native developer with a strong foundation in JavaScript, Python, and mobile app development, eager to apply my skills in real-world projects. Looking forward to contributing to a dynamic team and growing professionally while delivering effective and user-friendly mobile solutions.

PROFESSIONAL SUMMARY

I am a passionate and quick learner with hands-on experience through academic projects and self-study in React Native and related technologies. Skilled in building clean and responsive mobile apps with a focus on usability and performance. Committed to continuous learning and teamwork to contribute positively to software development projects.

EDUCATION

- **Bachelor of Computer Application (BCA IIIrd year)** (ICFAI University, Dehradun, Uttarakhand [Expected Graduation: May 2026] (Current CGPA 9.8)
- **XII** [UK Board (2019)] (74.6%)
- **X** [UK Board (2017)] (61.2%)

EXPERIENCE
